

Asian Associates Network (AAN)

The Asian Associates Network (AAN) was established to further the Firm's commitment to diversity, equity and inclusion by facilitating the professional development and advancement of Asian Associates Network members, and enhancing the inclusive environment at the Firm overall.

Among other things, the Asian Associates Network:

- offers a candid forum for members to network with and mentor other Asian attorneys;
- collaborates with other associate networks to provide additional programming;
- promotes and participates in the recruitment of Asian law students; and
- organizes professional development, networking and educational activities.

Sullivan & Cromwell and our individual lawyers are also proud to support professional and student organizations dedicated to the Asian community, such as:

- Asian American Legal Defense and Education Fund
- Asian American Bar Association of New York
- South Asian Bar Association of New York
- APALSA, SALSA, AALSA and Asia Law Society groups at various schools

The Asian Associates Network chairs are: [Suniti Mehta](#) and [Terence Kim](#).
