

SULLIVAN & CROMWELL LLP

Europe

Sullivan & Cromwell has worked on many of the largest, most complex and highest-profile deals in Europe. The team advises on English, French, German, European Union and U.S. law, including on EU competition matters.

The Firm's [Brussels](#), [Frankfurt](#), [London](#) and [Paris](#) offices are home to more than 120 Europe-based lawyers. Together, they offer a premier choice of counsel in their respective jurisdictions and in cross-border transactions in Europe or on international transactions involving European parties. S&C's European, U.S. and Asia Pacific lawyers form seamless teams on international matters and in transactions with multijurisdictional elements.

More than half of S&C's client base comprises non-U.S. commercial enterprises and government entities, and a substantial proportion of these non-U.S. clients are located in Europe. Deals are staffed from the location that best serves the client's needs, and S&C works to provide uniform quality of advice throughout the Firm.
