A client specifies "Jamie is attentive, very smart, hard-working, charming and fun to work with."

Chambers Asia-Pacific, 2021

A client says he is "very attentive, client-focused, responsive and very good at staffing his deals," adding: "He's not a table-pounding type of lawyer and likes to persuade by patient explanation rather than bluster, which makes negotiations much more productive."

Chambers Asia-Pacific, 2020

"Jamieson J Logie of Sullivan & Cromwell LLP moved to the Hong Kong office from London at the beginning of 2017. He attracts such plaudits as 'he is a great projects lawyer' and 'he's first and foremost exceptionally brilliant in his experience.' He offers some decades of international experience in project finance in areas such as oil and gas, mining and infrastructure."
