Michael Wiseman represents a broad range of financial firms, including domestic and international commercial banks, investment banks, insurance companies and rating agencies. His practice encompasses regulatory and enforcement issues, mergers and acquisitions, joint ventures, capital markets, new products initiatives, derivative products, payment system issues, consumer financial products, cybersecurity, and corporate governance and counseling. He is a graduate of Harvard College and the Harvard Law School and was an editor of The Harvard Law Review. Mr. Wiseman has a long history of advising global financial institutions on their largest transactional and their most sensitive regulatory matters.

Mr. Wiseman has a long history of advising global financial institutions on their largest transactions and their most sensitive regulatory matters. During the Financial Crisis, among other engagements, Mr. Wiseman advised AIG in connection with the \$85 billion emergency financing plan with the Federal Reserve and subsequent \$30 billion equity capital commitment facility. He then represented AIG in its capital restructuring and public offerings in connection with its exit from government ownership. He was recognized by The American Lawyer as a “Dealmaker of the Year” for his work on AIG. He also represented Goldman Sachs in its conversion to a bank holding company and UBS on a variety of matters, including obtaining SWF investments during the Financial Crisis.

Mr. Wiseman has also advised UBS on a variety of matters including enforcement, restructuring, acquisition, corporate governance and capital raising matters. He also represented UBS in connection with its creation of a new top tier holding company. He has represented a number of foreign banks in connection with the creation of a U.S. intermediate holding companies and on the corporate governance issues related to those companies. His enforcement practice has included representations of Bank of New York Mellon, Standard Chartered, Lloyds Bank PLC, Deutsche Bank, AIG, Moodys, Goldman Sachs, UBS, SEB and BNP Paribas.
