Saul Brander is a member of the Firm's Tax Group, with a practice focusing on structured transactions, cross-border transactions, financial products and partnership tax. He is also responsible for reviewing the tax disclosures and other tax sections in securities offerings documents.

Mr. Brander has worked with a number of U.S. and non-U.S. clients, most of which have been banks and other financial institutions. He has helped clients structure their transactions in a tax-efficient manner and determine the proper tax treatment of various novel situations. He has also helped prepare submissions to the Internal Revenue Service on behalf of financial industry organizations, such as the Securities Industry and Financial Markets Association.
