

SULLIVAN & CROMWELL LLP

United States

In the United States, Sullivan & Cromwell advises many of the world's top industrial, commercial and financial enterprises and governmental bodies. More than 500 lawyers headquartered in New York work with 12 other offices worldwide, comprising a global practice in primary areas such as:

- securities,
- litigation,
- mergers and acquisitions,
- criminal defense and investigations,
- banking,
- commercial real estate,
- project finance,
- tax, and
- estates and personal law.

The Firm's expertise extends to a number of intergroup areas, such as:

- asset-based finance;
- intellectual property;
- investment companies;
- international trade; and
- commodities, futures and derivatives.
